

## Notes From Our Clients...

- "Thank you so very very much for the many blessings that the Gifts of Hope helps provide for those in need. It is a true and lovely blessing.

May God continue to bless all of us abundantly and in the Name of Jesus! Again, Thank you!" Glennell – Midland, TX

- "Visiting people who are very ill is easier when you don't feel like they are having to make their house ready for company. When the patient is staying at Hope House, you don't feel like you are keeping them from doing other things. These things ease the minds of the people who love them. I just can't thank you enough for your kindness and the peace of mind you gave to us. I don't know what we would have done without Hope House. You make really bad situations tolerable. To share experiences with other families lighten the load for everyone. " The family of James O. – Hobbs, NM

- "Thanks for all the wonderful work you do. Having a place to stay was incredibly important to us when Bob was sick. He's doing fine now and we have been enjoying life in our retirement. Thanks again for all the special work you do. Peace & Good Health." Carol & Bob – Hobbs, NM

- "Just a short note of my appreciation. Without the assistance of Gifts of Hope this would have been a hardship on me & my family. God has blessed me with awesome people like you. Thank you." Julia M. – Midland, TX
